Title: Need to take steps for maintenance of National Highway No.24 between Hapur and Moradabad, Uttar Pradesh. - Laid

SHRI CHANDRA VIJAY SINGH (MORADABAD): My constituency, Moradabad is 150 kms from Delhi by road. To get there, the stretch from Hapur to Moradabad, of N.H. No. 24 takes 5 hours, as the N.H. has disappeared due to pot holes and craters. The wastage of diesel and vehicle wear and tear leads to revenue losses to the tune to crores. Also the losses due to man hours lost in extra time taken for this tedious journey.

I request the Government to take measures for proper repair and maintenance of N.H. − 24 between Hapur and Moradabad.
